### WHAT ARE SUCCESS CIRCLES?

Success Circles are small, yet powerful groups of people who come together with a common focus for 12 weeks to LEARN, SHARE, and SUPPORT each other by telephone. In the process, you will GROW YOUR BUSINESS as well as your work and personal life.

### COULD THIS BE YOU?

- ⇒ You keep getting pulled in different directions and can't seem to focus on any one thing?
- ⇒ Are you always busy and still not moving towards your goals?

**If you answered "yes" to any of the above questions, it's time to make a change!**
